The above private security companies are licensed to work in the County of Santa Clara and have agreed to comply and enforce all guidelines and laws put forth by both the Santa Clara County Fairgrounds Management Corporation and Santa Clara County.

Approved Private Security Services

Required Security Services

- Private security services are required at Licensee's expense for MOST ALL events taking place on the Santa Clara County Fairgrounds.
- PRIVATE EVENTS - Private security services are required for ALL private events from the list of approved companies for the duration of each event including 1 hour prior to the start of the event and 1 hour after the end of the event.
- PUBLIC EVENTS ó Private security services are required for most public events. The size of the event, the type of event and alcoholic beverage service will influence the level of security services required.
- Consult with your Event Manager to determine what level of service will be required.

Facility Safety

- Events and their patrons/guests are limited to contracted facility areas only.
- Parking Lot loitering and tailgating are strictly prohibited.

Alcohol Consumption Management

- All alcoholic beverages and services MUST be purchased and coordinated through SCCFMC.
- Alcoholic beverage consumption is restricted to contracted facility areas only.
- Alcoholic beverages are prohibited in all parking lot areas.
- **Absolutely NO unauthorized alcoholic beverages are allowed to be brought on to the Fairgrounds property including all parking lots. This is strictly enforced.**
- If security finds unauthorized alcoholic beverages brought into an event that were not purchased from the Fairgrounds's caterers/concessioners, security will confiscate all alcohol beverages and bottles.
